

MEET DR. FLORES

PH.D., MFT

Are you experiencing emotional pain that continues to increase from one day to the next; in addition to needing support during this crucial period? If you answered "yes" to either of these two statements, you may want to consider seeking a therapist who CARES.

Dr. Maria Flores is a dedicated psychotherapist who cares about you! She's been practicing since 1992 and is experienced in helping individuals (children, adults, couples and families) heal from their emotional pain.
